WANG had announced in a telephonic interview from New
York City of his plans to set up a collegiate segregationist
group on Ivy League college campuses under the name of
"The International Club." The "Yale Daily News" article
notes that no such club exists at Yale. WANG also mentioned
the possibility of using the John Dewey Society to advance
his program,

The "Yale Daily News" of 10/22/57 contained an article

that DAVID WANG "definitely will not be sponsored by
the John Dewey Society."

On 11/8/57 [redacted]
and an established reliable source of the NHO, advised
that he and the various [redacted] had taken
note of the above-mentioned announcement of DAVID WANG in
the 10/17/57 issue of the "Yale Daily News," and had been

advised that there has been absolutely no reports or
indication that WANG or anyone else has begun any such

The paper *Jewish World*, of London, states on February 9, 1883 as follows:

"The great ideal of Judaism is that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of Nations — a greater Judaism, in fact — *all the separate races and religions shall disappear.*"

The excerpt below is taken from a letter written to *Karl Marx* by his fellow Jew, *Baruch Levy*, as quoted in *la Revue de Paris*, June 1, 1928, p. 574.

"The Jewish people as a whole will be its own Messiah. It will attain world dominion by the dissolution of other races, by the abolition of frontiers, by the annihilation of monarchy which has always been the support of individualism, and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this new world order the Children of Israel, who are scattered over the world, will furnish all the leaders without encountering opposition; and *this will more particularly be the case if they succeed in getting the working masses under their control.* The governments of the different peoples forming the world republic will, *through the victory of the proletariat, fall without difficulty into the hand of the Jews.* It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. *Thus will the promise of the Talmud be fulfilled, in which it is said, that when the Messianic time has come, the Jews will have the property of the whole world in their hands.*"

Please let this card go around the world.

Anyone who wants to reprint this card may.

"THE ALABAMA PLATFORM"

of
JOHN G. CROMMELIN

**CANDIDATE FOR
GOVERNOR OF ALABAMA**

WHEREAS, None but the blind can fail to see and none but the dreamer will choose to deny that the present course of government is leading this State and this Nation to demoralization, mongrelization and bankruptcy,

and

WHEREAS, The key to survival is a thorough understanding of the Communist-Jewish Conspiracy by White Christian Voters,

and

WHEREAS, The satanic plot to mix the blood of the White Christian People of the South with negroes is directed and financed by the Communist-Jewish Conspiracy,

and

WHEREAS, Our great State of Alabama has been selected by the Communist-Jewish Conspirators as the proving ground for testing ways and means to carry out their plot,

and

WHEREAS, The ultimate objective of the Communist-Jewish Conspirators is to use their world-wide control of money to destroy Christianity and set up a World Government in the framework of the United Nations, and erase all national boundaries and eliminate all racial distinction except the so-called Jewish race, which will then become the master race with headquarters in the state of Israel and in United Nations in New York, and from these two communication centers rule a slave-like world population of copper-colored human mongrels, (This is the Messianic dream

of the Communist-Zionist Jews but it is the unspeakable nightmare of the great White Christian Race.)

and

WHEREAS, It has been clearly demonstrated for the past twenty-five years or more that this plot cannot be defeated by small-men and small-women candidates for political office who, for fear of economic and political reprisal, neglect to expose the Communist-Jewish Conspiracy, yet run around shaking hands, babbling platitudes, and gabbling ridiculous, exaggerated, fatuous and futile promises of luxury and security for our old people, money for our small farmers in distress, money and jobs for our unemployed, more money for our school teachers, more and better schools for our children, medical assistance for all, and — LESS TAXES.

NOW

THEREFORE, I, John G. Crommelin of Wetumpka, have this 28th day of January, 1958, filed with my party, the Democratic Party of Alabama, a declaration of candidacy for the office of Governor to be voted upon in the forthcoming Primary of May 6, 1958. My purpose is to conduct a hard hitting campaign in every precinct in Alabama; expose the origin, nature and aims of the Communist-Jewish Conspiracy; win the election; establish a close and harmonious man-to-man relationship with each and every member of both houses of the State Legislature, and with their assistance break the grip of the Communist-Jewish power centers in New York and Washington; and return control of our State government to you White Christian Alabamians, my own people.

POLITICAL PROGRAM

In order to do this the following eleven (11) point program is hereby submitted for consideration of the patriotic, sensible voters of Alabama:

1. This PROGRAM shall be carried out in accordance with the rights of the State of Alabama as provided in The Constitution of the United States, one of which is to defend our liberty by whatever means and whatever measures are necessary.

2. A strong and effective system of State defense, which cannot be federalized, shall be created to meet any eventuality.

3. An Un-American Activities Committee of the State Legislature backed up by an Alabama Bureau of Investigation shall be established to investigate infringement or subversion of the rights of Alabama as guaranteed in The Constitution of the United States

4. All available facilities shall be utilized to inform Alabama Citizens of the origin, nature, purposes and aims of the Communist-Jewish Conspiracy now bent on the destruction of the White Race and White Christian Civilization through economic strangulation, fratricidal wars, mongrelization and political slavery.

5. We shall reawaken in all Citizens of Alabama an unswerving devotion to truth, honor, duty, racial integrity and pride in the United States of America and Christian Civilization.

6. There shall be no mixing of the races in the public schools and Communist-Jewish ideology and influences which tend to cause the degeneration of the White Race and the dissolution of our nation shall be

eliminated from the curricula of Alabama public schools as well as from all other official information media.

7. Freeing of the press from the Communist-Jewish news "quarantine" shall be accomplished in Alabama to insure an honest, fair and truthful presentation of news, forever destroying the concept that freedom of the press includes the freedom to fabricate, distort, or conceal news to serve Communist-Jewish aspirations of world domination.

8. Any organization, institution or society which advocates mongrelization of the White Race or espouses any other form of subversion shall be outlawed in Alabama.

9. When this PROGRAM is carried out (and not until then) prosperity and confidence will return to our people and the taxes now levied upon us will, when honestly disbursed by an efficient State administration, be more than ample to provide security for the aged, to promote adequate educational facilities for our children, and to insure the independence of the small businessman, the farmer and the workingman.

10. The present fear, uncertainty and confusion which we see and feel all around us can be stamped out in the short span of one four-year administration by an honest, fearless and dedicated governor working in close harmony with an honest fearless and dedicated State Senate and House of Representatives to implement intelligently the above outlined PROGRAM.

11. Time is running out. Intelligent corrective action can no longer be postponed.

"THERE IS NO ALTERNATIVE TO LIBERTY."

In the accomplishment of this PROGRAM, I pledge to you the Citizens of Alabama, regardless of the outcome of the election my greatest possible physical, mental, and spiritual effort, so help me God.

JOHN G. CROMMELIN,
Candidate for
Governor of Alabama

WHO IS JOHN G. CROMMELIN?

John Crommelin is a native son of Alabama and a lifelong Democrat as were his forbears. He comes from pioneer stock who settled on the land where he now lives at about the time Alabama was admitted to the Union. He was born October 2, 1902, in Montgomery, where he attended public school and Sidney Lanier High. Before his 16th birthday he entered the University of Virginia, and in 1919 was appointed to Annapolis. After graduation he rose through the various grades in the Navy to his present rank.

John Crommelin comes from a family which has never failed to take a firm stand. His great grandfather, Charles Gunter, an Alabama State Legislator in 1847 was the author of the act establishing married women's rights to property. Both of his grandfathers fought for the Confederacy. He is the oldest of five brothers, all graduates of Annapolis and all veterans of World War II. There was at least one Crommelin brother in every major naval engagement in the Pacific and Crommelin Field of the Naval Air Station at Atlantic City is named in tribute to the valor of the two Crommelin brothers, Charles and Richard, who were lost in action. As witness that John Crommelin serves his country with distinction, a war correspondent wrote a book. "Then There Was One", the war record of the most famous fighting ship in all history, the USS Enterprise, and dedicated the book "To John Crommelin and His Breed of Men."

Nine years ago John Crommelin told the American people the truth about potential subversion in Washington and as a result was forced to retire by the then President, Harry S. (for Solomon) Truman. (Ten months later Crommelin's estimate was proved by Truman's treasonable conduct of the Korean War.) Since then John Crommelin has been very active in the political and public life of Alabama and has maintained a very keen interest in the welfare of his fellow Alabamians and this nation.

A family man, John Crommelin was married to Lillian Eoff on December 1, 1930. They have three children, Katie, age 16, Jill, age 12 and John, age 8, all of whom are now in public schools here in Alabama.

John Crommelin has great faith in the people of Alabama and can be trusted to defend their rights and interests with cool judgment and firm determination.

"KOL NIDRE"!

The following timely and interesting information is contained in a publication entitled "Facts are Facts," by Benjamin H. Freedman, 960 Park Ave., New York City, N. Y. "Facts are Facts" is a 62-page booklet (Price, \$1.00), in which Mr. Freedman questions a Dr. David Goldstein, LL.D., of Boston, Mass., concerning his conversion from the faith of a Jewish Rabbi to that of a Christian Cleric. Mr. Freedman, it appears, is puzzled by Dr. Goldstein's action, and seeks clarification of his motives. In fact, Mr. Freedman is so deeply concerned over Dr. Goldstein's apparent conversion to Christianity, that he prints in bold type, on the face of the booklet, the following statement:

"The historic facts revealed here for the first time provide incontestable evidence that their continued suppression will prove inimical to the security of the nation, the peace of the world, the welfare of humanity, and the progress of civilization."

Regardless of the religious sincerity of ex-Rabbi Goldstein, the following passage, contained on page 35 of "Facts are Facts" is of **paramount educational interest** to every loyal American citizen of Christian faith. "Kol Nidre" is an alien and Anti-Christian mental-conditioner of such an extreme nature as to be almost unbelievable. However, the accuracy of the translation of Kol Nidre, which follows, has been checked with the Florida State Library, Tallahassee, Fla., and the so-called 'prayer' or oath, as quoted herewith, is authentic:

"FACTS ARE FACTS" — Page 35:

"In Volume VII of the Jewish Encyclopedia on page 539, found in the Library of Congress, the New York Public Library and libraries of all leading cities, will be found the official (All Vows) prayer. It is the prologue of the Day of Atonement services in the synagogues. It is recited three times by the standing congregation in concert with chanting rabbis at the altar. After the recital of the "Kol Nidre." (All Vows) prayer, the Day of Atonement religious ceremonies follow immediately. The Day of Atonement religious observances are the highest holy days of so-called or self-styled "Jews" and are celebrated as such throughout the world. The official translation into English of the "Kol Nidre" (All Vows) prayer follows:

"KOL NIDRE"

"All vows, obligations, oaths, anathemas, whether called 'konam', 'konas', or by any other name, which we may vow, or swear, or pledge, or whereby we may be bound, from this Day of Atonement unto the next, (whose happy coming we await), we do repent. May they be deemed absolved, forgiven, annulled, and void and made of no effect; they shall not bind us nor have power over us. The vows shall not be reckoned vows; the obligations shall not be obligatory; nor the oaths be oaths."

Page five-A (5-A) of the Alabama Journal, Montgomery, Ala., Friday, Oct. 4th, 1957, and page one (1) of the Pensacola Journal, of Feb. 22, 1957, confirm the fact that "The Kol Nidre Service" is still in effect among Jewish groups now living in the South.

In the light of these admitted truths, what is now the status of Jewish individuals who annually take this religious vow? What is their true legal status in their local communities, in fraternal organizations, in lodges, in sworn secret-societies of combined memberships of Gentiles and Jews, in courts of law, in public office, or when registering to vote? Which oath is binding upon them; their religious "Kol Nidre" oath, or their civil oaths?

Is "Kol Nidre" the deeply-hidden, but real explanation for the unreasonable, arbitrary, and capricious decisions handed down since Black Monday, May 17, 1954, by Felix Frankfurter and his Jewish-dominated and Rabbi-instructed Supreme Court of the United States of America?

Does "Kol Nidre" in effect say, "the end justifies the means?" And if so, is not this the basic tenet of Communism?

HEADQUARTERS

JOHN G. CROMMELIN
The Patriots' Candidate
For GOVERNOR

P.O.Box 441
Wetumpka, Alabama
March 6, 1958

Fellow American:

Did you know that Rabbi Stephen Wise, the outstanding so-called Jew of the 20th century, and former president of the World Jewish Congress stated, "Some call it Communism but I call it Judaism"?

Has it ever occurred to you that the greatest threat to the very existence of what we call our "American way of life" is not Russian Communism but a "hidden force" right here in the good old USA with headquarters in New York and Washington?

Do you realize that the fiendish plot to integrate us with the negro is financed and master-minded by this "hidden force", the Communist-Jewish Conspiracy? Do you realize that the president of the NAACP is not a negro but a Jew, named Arthur Spingarn? Do you realize that on a per capita basis the "hidden force" has concentrated more of its subversive propaganda, money, interest, and subversive agents on Alabama than perhaps any other State in the Union? Do you realize that if we real Americans expose and defeat these Anti-Christ conspirators that not only will we save our children and ourselves but that we will rightfully earn the undying gratitude of all White Christians throughout the civilized world? And do you realize that the only peaceful way to prevent the Anti-Christ Conspirators from destroying us is to elect political representatives who know the origin, nature and aims of the Communist-Jewish Conspiracy and who cannot be bribed or silenced by the Communist-Jewish money, Communist-Jewish publicity, and Communist-Jewish political pressure?

Join our rising tide of patriots throughout these United States of America. Let us help and support each other. We Alabamians will clean out the subversive influences in our great State and return control of our State government to White Christian Patriots. When we break the back of the Communist-Jewish Conspiracy in Alabama, the proof to patriots of every State in the Union that "it can be done" will start a chain-reaction that will restore our Constitutional form of government. Continue in the same political rut with "tin-horn" politicians dancing to the tune piped by the Communist-Jewish Conspirators and within another four years I can guarantee you that we will pass the point-of-no-return!

Small contributions will provide the printed ammunition necessary to get our message to all voters. Help us now with the enclosed envelope. Ensure security for your children and mine by informing your friends. Take a firm stand, now!

There are one hundred and thirty-seven million White Christian Patriots in this great nation of ours. What are we afraid of?

Sincerely,

John G. Crommelin
